COMMITTEE ON OVERHEAD RECONNAISSANCE

AGENDA for COMOR-M-44

Room 429, Matomic Building, Central Intelligence Agency  
1330 - Wednesday - 30 August 1961

1. Re-examination of "Review of Ad Hoc Requirements Committee (ARC) Requirements in the Light of Berlin (TCS-4552-59, 6 April 1959)"

The Air Force has proposed that the COMOR review this paper, looking toward its revision, or the preparation of a totally new paper if the COMOR so concludes.
2. Priority Targets for TALENT Coverage in the USSR

The CIA representative on COMOR has proposed that the COMOR establish a priority TALENT list for the USSR along the lines of pre-May 1960 priority lists as a contingency measure taking account of the possibility that the international situation stemming from the Berlin crisis might warrant the use of TALENT for political purposes in areas other than the immediate vicinity of Berlin. [ ] will have a paper for discussion on this point at least at the meeting. He will distribute prior to the meeting if feasible.

COMOR members are requested to examine their requirements to better able to discuss this question.
3. Further Consideration of SC-08088-61, 22 August
